

# WHAT IS CLARA?

- The Cancéropôle Lyon Auvergne-Rhône-Alpes (CLARA) coordinates the regional scientific community in the field of cancer research to encourage technology transfer to the benefit of patients.
- Initiated by the French Cancer Plan in 2003, CLARA is supported by public authorities (National Cancer Institute, local authorities, European Funding) and represents one of the seven French

## INNOVATION FIELDS

CLARA, CANCER CLUSTER HAS DEVELOPPED A REGIONAL STRATEGY IN THE FIGHT AGAINST CANCER SUPPORTING THREE REGIONAL INNOVATION

Multimodal imaging, Radiotherapies, Nanomedicine / Omics, Big Data & Mathematical Modeling

Innovations in Health Technologies

Prevention and Social Innovations

Cellular Plasticity, Immunity, Infections, Micro-environment

Cancer Prevention, Environment, Nutrition, Humanities

## REGIONAL OVERVIEW

**210** Academic and Clinical Teams

**3000** Researchers

**3500** Health Professionals in Cancerology

**4** University Hospitals

**2** Comprehensive

**24%** of French Clinical Trials

**75** Companies developing products for the oncology market

### CLERMONT-FERRAND

**300** Researchers in Cancerology

**2** Companies

Clermont-Auvergne University

**1** University Hospital

**1** Comprehensive Cancer Center

### SAINT-ÉTIENNE

**150** Researchers in Cancerology

Lyon Saint-Etienne University

Lucien Neuwirth Oncology Institute

**1** University Hospital

Hyg e Center : prevention research platform

### LYON

**1800** Researchers In

**46** Companies

Lyon Saint-Etienne

**1** University Hospitals (on 2 sites)

**1** Comprehensive Cancer

International Agency for Research on

### GRENOBLE

**750** Researchers in Cancerology

**27** Companies

Grenoble Alpes University

**1** University Hospital

## KEY NUMBERS SINCE 2003

**250**

Projects Supported

**327**

Events Organized

Allocated by Local Authorities and the National Cancer Institute to Regional Projects and Platforms

** 238M**

# A REGION OPEN TO INTERNATIONAL COLLABORATIONS

NUMBER OF INTERNATIONAL PUBLICATIONS,  
ACCORDING TO COUNTRIES WITH WHICH REGIONAL TEAMS  
HAVE COLLABORATED SINCE 2000

**78**

EUROPEAN PROJECTS  
Including Regional Teams

**€274M**

ALLOCATED BY THE EUROPEAN  
COMMISSION

**MARCH 25-26 2020**
